

VIÑAS 3

2008 Row Eleven Pinot Noir

Three Vineyards. Three Appellations. Three Clones.

Row Eleven has made a contract with Pinot Noir lovers. We will deliver a luscious Pinot Noir, rich in red cherry pie aromas, with a silky smooth finish at an amazing price. Vinas 3 is a blend of three clones, picked from Sonoma, Santa Barbara, and Monterey vineyards. It is about Pinot Noir itself, and less about any particular region or vineyards. Enjoy New World Pinot Noir with a nod to the Old. Though it is crafted for immediate enjoyment, this wine will age for several more years. We are certain that it is the lowest priced Pinot Noir you will find that still tastes like Pinot Noir. We believe Vinas 3 makes good on our contract.

Aromas: Bright red cherries with hints of spice and vanilla.
